Anchor Persons for Symposia

Hafiz Shoaib Mehboob, ISAMM
(smehboob@pieas.edu.pk)
Dr. Asif Mahmood, ISAPE
(mahmood@pieas.edu.pk)
Mr. Fayyaz, ISAME
(engr.fayyaz@pieas.edu.pk)
Mr. Shahid Nazir, RAEE
(shahidnazir@pieas.edu.pk)
Dr. Khalid Waheed, ISANE
(khalidwaheed@pieas.edu.pk)
Dr. Tariq Siddique, ISAP
(tariqs@pieas.edu.pk)
Dr. Muhammad Abid, ISACIS
(mabidm@pieas.edu.pk)
Dr. Hasan Nisar, SNMO
(hasannisar@pieas.edu.pk)

Details of symposia

International Symposium on Advances in Metallurgy and Materials (ISAMM)

- Nanostructures and Nanostructured Materials
- Thin Films, Multilayers and Coatings
- Composites and Nanocomposites
- Advanced Ceramic Materials
- Advances in Alloy Design and Processing
- Porous Materials
- Joining of Materials
- Nuclear Reactor and Shielding Materials
- Advanced polymeric Materials
- Structural and Functional Materials

International Symposium on Advances in Nuclear Engineering (ISANE)

- Core Neutronics
- Reactor Thermal Hydraulics and CFD
- Plasma/Fusion
- Reactor Design
- Radiation Interaction , Detection and Shielding
- Hazardous Air Pollutant Dispersion and Control
- Reactor Instrumentation and Control
- Probabilistic Safety Analysis

International Symposium on Advances in Physics (ISAP)

- Computational Physics
- Biophotonics
- Quantum Optics & Quantum information Theory
- Medical Physics
- Microfluids
- Fiber Optics
- Super Resolution

International Symposium on Advances in Mechanical Engineering (ISAME)

- Renewable Energy Resources
- Thermal Science
- Mechanical System Design
- Manufacturing
- Computer Aided Analysis and Manufacturing
- Mechatronics
- Dynamics and Vibrations
- Computational Fluid Dynamic
- Aerodynamics

International Symposium on Advances in Process Engineering (ISAPE)

- Computational Fluid Dynamics
- Thermal Hydraulics
- Chemical Process Development
- Process Analytics
- Process Instrumentation and Control
- Multiphase Flows
- Particle Technology
- Energy and Fuels including Combustion,
- Gasification and Pyrolysis

International Symposium on Recent Advances in Electrical Engineering (RAEE)

- Control and Automation
- Robotics
- Signal and Image Processing
- Artificial Intelligence
- Communication and Wireless System
- Embedded Electronics
- Electronic Circuits and Systems
- RFICs, Microwave and Optical Systems
- Energy and Power Systems
- Smart Grids
- Bioengineering Systems

International Symposium on Advances in Computer and Information Sciences (ISACIS)

- Image Processing, Pattern Recognition, Machine Intelligence
- Cloud Computing, Scientific Computing
- Computer Networks, Trusted Computing, Wireless Sensor Networks
- Databases, Data Mining, Data Warehousing
- Bioinformatics
- Big Data Analytics, Distributed Computing, High Performance Computing
- Software Engineering
- Cyber-Security

National Symposium on Nuclear Medicine and Oncology (NSNMO)

- Nuclear medicine
- Oncology

- *Any other related topics*
