

Dated: Friday April 3, 2020

NOTIFICATION

In the wake of the COVID-19 Pandemic the Government has announced the closure of all academic institutions in the country till May 31, 2020. As per the guide-lines issued by HEC the following is implemented.

1. Online classes are mandatory and will be continued till the situation gets normalized as per the HEC guidelines. The online classes have started from March 24, 2020 and will continue till May 29, 2020, if university is to open on June 1, 2020. Otherwise the new date will be notified by the university.
2. Students having difficulty in internet connectivity are advised to get internet connectivity through 4G devices available in the market and an internet package. PIEAS will compensate the expenditure by giving them the rebate of these expenses in their University fee of the next semester. (the device price against purchase bill and at least one or more months basic package depending on the length of the university closure)
 - a. Those students who do not have any access to any sort of internet connectivity due to their remote locations should contact their HoD.
3. All students must download the lectures, study them and join discussions on canvas or WhatsApp with the concerned faculty member and submit the assignments on time to get their attendance marked as present.
4. Lab works / practical sessions and exams will be conducted after the opening of university if the university opens on June1, 2020.
5. The decision regarding the assessment of grade and examination of theoretical subjects will be taken in the light of HEC policy guidelines in due course of time if the university does not open on June 1, 2020.
6. Attendance will be marked if you download the relevant lectures and submit the corresponding assignment on time.
7. To qualify for the exams the decision will be based on the minimum attendance criterion of the university.
