Mr. Yusuf Hussain is a technology enthusiast, entrepreneur and angel investor who is currently serving as CEO, Ignite Pakistan. Previously he was co-Founder and CEO of CresSoft, Inc, a boutique B-B e-Commerce Startup. He has also served as Managing Director of LMKR and as Senior IT Advisor to the World Bank.

Ignite's mission is to build the innovation value chain in the country. It funds tech startups and innovative projects, which use Fourth Industrial Wave (4IW) technologies like Artificial Intelligence, Augmented Reality and Internet of Things to solve problems in verticals like agriculture, education, health, energy, and manufacturing. Ignite is also rolling out a network of National Incubation Centers and has launched a major digital skills training program. Ignite undertakes studies and research to collate industry information and propose policy interventions. Through its outreach program, Ignite employs media and events to educate policy makers, corporations, academia, media, regulatory agencies and the general public about the importance of innovation, the challenges and opportunities offered by the 4IW, and about Ignite initiatives.
