Mr. Kanwal Masroor is CEO and Founder of TECH Pakistan, which is an organization that promotes technology advocacy, inclusivity and adaptation within the industries of Pakistan; as we know technology.

Mr. Kanwal Masroor has given two decades of his services in the field of Information Technology in Pakistan bringing the best practices and cooperating diversified solutions. Mostly being a multidisciplinary leader; wearing different hats at times.

Mr. Kanwal Masroor embarked his journey back in 2009 into world of entrepreneurship with a software house. He has been a leading internet marketer for straight two years in Pakistan where he worked with 380+ organizations. In a very short span of time under his visionary leadership the organization grows to become the unmatched in market.
